

United Medical College, Dhaka  
Phase- I  
**Integrated Teaching on Anemia & Coronary Artery Disease**

**Notice**

It is for information of UMC-05 (Session: 2023-2024) Students and others involved that two Integrated Teaching Sessions (III & IV) are scheduled according to following dates. Students are directed to attend the respective session for active participation and interaction. Each student must write a summary (own specific nature, i.e. no matching with each other) of each session individually in a note book that is to be submitted to the batch teacher within a week. This is absolutely mandatory.

Topics of integrated teaching	Date	Time	Venue	Disciplines Involved
Anemia	02/01/2025	10:00 am to 12:00 pm	Lecture Hall-2	Anatomy, Physiology, Biochemistry & Internal Medicine
Coronary Artery Disease	04/01/2025			Anatomy, Physiology, Biochemistry, Internal Medicine & Cardiology
